NEED GRADWEEK ON-SITE ASSISTANCE?

Do not hesitate to reach-out to GradWeek Staff, we are here to help! **If you have an issue or a situation during your trip, you must contact on-site staff so we can assist you while at the destination.** Do not hesitate to **call or text**. If you cannot contact us yourself, have a friend call or text. GradWeek staff are available to help you on-site 24/7. We have staff housed at every hotel where we have students staying and staff are present at all GradWeek-sponsored events. You may also visit the **GradWeek Hospitality Desk, located near the lobby (business hours 8am-5pm) of the student hotels.**

ON-SITE 24-HOUR GRADWEEK STAFF NUMBER: PROVIDED UPON ARRIVAL IN HAWAII

NEED TO CALL HOME?

Upon arriving we strongly encourage that you take a minute and call home. We often get calls from parents saying they have not heard from their son or daughter. To avoid unnecessary calls and worrying, take a few minutes and call or message your parent(s) to let them know you made it to Hawaii safely. The easiest way to call home is from your cell phone. This will help you avoid costly hotel surcharges the hotel will charge when you call from your room. Don't forget to provide them with your room number at the hotel. The time zone in Hawaii is HST.

NEED MEDICAL ATTENTION?

GradWeek staff members are not doctors and thus will not make any judgment calls on whether or not medical attention is necessary for any reason. This decision is entirely up to the traveler and his or her parents. If you are in doubt as to whether medical attention is needed, we strongly recommend you contact your parent(s) and/or guardian(s) and ask for advice. If you are in need of medical attention and it is a non-emergency, you can locate a GradWeek Staff member for directions to the nearest medical facility. If you cannot find a GradWeek Staff member, simply go to your hotel's front desk for assistance or call the number above. If it is an emergency, dial 911 and have your friend notify a GradWeek Staff Member. Please Note: If you need medical care, you will be required to pay for any hospital services upfront, you must keep all of your medical receipts and file a claim with the insurance company upon your return home for reimbursement.

HELPFUL SAFETY & TRAVEL TIPS

- **Hydration – DRINK PLENTY OF WATER!!** – After many hours of travel, combined with laying in the sun and lack of sleep, it's critical that you stay hydrated. Be sure to drink lots of water during your trip. You'll feel better, be less susceptible to illness, and have an overall better experience!
- **The Buddy System** – We highly recommend the buddy system. Please stay out in groups, especially when going back to your hotel at night. Always remember that there is safety in numbers! If you leave the hotel or an event, also tell a friend where you are going and when you plan to return.
- **Uber/Lyft/Taxis** – Your hotel is within walking distance of most events, shops, and food. However, the taxis run all day and night. Taxis will cost anywhere from \$5-\$30 depending on where you want to go. You can take up to four people in a standard taxicab. We strongly recommend that no one rides alone in a taxi or ride service, especially at night. Uber and Lyft are another transportation option that is readily available, easy, and inexpensive.
- **Smoking, Drugs & Alcohol** – Just say NO! DRUG POSSESSION AND USE IS ILLEGAL. Do not buy, sell, or use drugs anywhere. You will be kicked out of your hotel and will most likely end up in jail; all at your own expense. Smoking/Vaping in the rooms is strictly prohibited by the hotel and you will be cause for immediate eviction by the hotel; all at your own expense. **The legal drinking age in Hawaii is 21 years of age.** All hotels in Hawaii have strict enforcement policies for underage drinking. If you are caught with alcohol in your room the entire room will be evicted at your expense and the police will be notified. In short, DON'T DRINK!!
- **Hotel/Room Damage** – **You and your roommates are all responsible for paying for any and all damage to your room.** This also includes any extensive cleaning due to stains, smoking, liquid spills etc. Take care of your room!! Upon arriving to your room make sure you and your roommates take 5 minutes to check your room and report any damage to the hotel. This is so you are not charged for it when you check out. Please walk down to the Front Desk and report any damage immediately. Do not let strangers into your room. Keep your doors locked at all times, including any balcony slider doors. Also, please respect your roommates' space.

- **Room Safe/Deposit Box** – We strongly recommend that you put all of your valuables in your safe deposit box upon check-in. **THIS INCLUDES CELL PHONES, GO PROS, MONEY, ETC.!!** If a box is not provided to you in your room, you can get one at the front desk. ***Report any missing/stolen items IMMEDIATELY to the HOTEL!** DO NOT leave your valuables out when you are not in the room; always put them away!
- **Checkout/Departure Home** – Please check the activity board in the lobby for departure information the night before your flight. Travelers need to clean up their rooms and pack their bags the night before departure. It is also highly recommended you take care of any incidental balances (if any) such as phone charges, room service, and pay preview movies the night before to avoid long lines at checkout. **Airport buses leave on-time so do not be late or you can get left behind!** You must be in the lobby 3 hours prior to your scheduled flight departure time. If you miss your airport shuttle, it is your responsibility to get yourself to the airport at your own expense. If your flight is not until late afternoon or evening, you must still checkout by 11:00AM and store your bags at the bell desk. We suggest having lunch or some shopping to fill the time!
- **Motorized Water Sports and Mopeds** – We strongly recommend NOT renting mopeds, Jet-skis, or other motorized water sport equipment. Moped collisions are a common occurrence, and you are responsible for any damage. All equipment is owned locally and any damage to the equipment will be your responsibility. Be careful! Many students have been charged for damage they may not have done. Check the equipment for damage and **report it before using.**
- **Ocean** – The Ocean has a strong undertow! During the day, please check to see if your beach has warning flags in front of the beach area. Most beaches will post these flags to let you know the current ocean conditions. Please do not go in the ocean at night as they are closed from sunset to sunrise. It is extremely dangerous at night.
- **Balconies** – Do not sit on the ledge of your balcony or try and jump balconies from one room to another. Do not sit anything on the railing, it is very easy to fall off your balconies and can cause life threatening injuries!
- **Crossing the Street** – Be sure and look both ways to avoid being hit by moving vehicles. Looking both ways before crossing the street will ensure safety.
